## CHILD AND FAMILY THERAPIST

Child Parent Institute is seeking a therapist to provide behavioral health services for **20-30 hours per week** to English and Spanish speaking clients in our Child and Family Counseling Clinic.

Our peak hours are **1pm-7pm Monday-Friday** and **10am-5pm on Saturday**. You set your own schedule within these hours, making this a flexible position that fits your busy life!

### ABOUT OUR CLINIC:

CPI's counseling programs provide comprehensive mental health services to children ages 0-18 and their families. Our psychotherapy services address a wide range of childhood behavior challenges, difficult life transitions, and traumas. A multidisciplinary team of mental health professionals provides person-centered treatment designed to resolve specific concerns and help children, adolescents, and parents develop healthy functioning at home, at school, and in the community.

### ESSENTIAL FUNCTIONS:

- Conduct initial assessment of new clients and develop client plans.
- Conduct individual and/or family sessions within the scope of practice and enter progress notes on a daily basis.
- Review, organize, update, and track client charts.
- Targeted case management.
- Follow program policies and procedures utilizing appropriate assessments and input from the clinical supervisor and treatment team.
- Participate in clinical supervision and group consultation to enhance professional growth and examine clinical work.
- Maintain strict confidentiality guidelines regarding all clients, conversations and referrals.

*Beacon certification is strongly preferred.*

*Spanish/English bilingual strongly preferred.*

### LICENSE REQUIREMENTS:

This position is open to licensed clinicians (LMFT, LCSW, LPCC, Psy.D., Ph.D.) and registered associates (AMFT, ACSW, or APCC). Associate Therapists are provided with group and individual supervision by a clinical supervisor as required by their licensing board.

*Our mission is to end child abuse and strengthen the health of children, parents and families.*
