

The Catalyst Learning Center Presents:

# Lived Experience IS NOT Lived Exploitation

This interactive session explores the evolution of the Lived Experience Movement and examines how systems can shift from performative inclusion to meaningful, equitable partnership. Participants will name and challenge biases and stigmas that limit recognition of lived experience as leadership and expertise, while engaging in experiential activities that surface barriers to authentic collaboration.

The session is reflective and sometimes uncomfortable, creating space for truth-telling, growth, and transformation.

**THURSDAY,  
FEBRUARY 26TH  
10-11:30AM**

## Course Instructors:

**Celeste  
Walley**

**Betsaida  
Lebron**

**Lizbeth  
Torres**

**Elizabeth  
Vermilyea**

**Jody  
Rodgers**
